Mercer Free School presents TerraCycle's "Outsmart Waste!"

Ewing, NJ, January 28, 2011 — The Mercer Free School will be hosting a free presentation "Outsmart Waste!" by TerraCycle on Tuesday, March 22, 2011 from 7:00 pm to 8:00 pm in Room #2 of the Ewing Branch of the Mercer County Library System (61 Scotch Rd, Ewing, NJ 08628).

TerraCycle makes eco-friendly, affordable consumer products from waste and pays \$.02 per item to the charity of the collector's choice. In this presentation, we will take a look at our society's waste stream as it existed before TerraCycle and as we hope it will exist in the future.

More information about the presentation is available on-line

(<http://mfs.insi2.org/activities/terracycle.php>). Registration is requested (on-line: <http://mfs.insi2.org/registration> or phone: 609-403-2383), but walk-ins are also welcome.

The Mercer Free School was launched in March 2010 to provide the local community in/near Mercer County, NJ a means to share self-motivated learning experience *for free*.
